

KINGDOM BUILDERS

Blessed to be a blessing!

My dear Glad Tidings Church family,

God has been in covenant with our Glad Tidings Church family since its inception. He has blessed us! And we know that His blessings are not just for us--He has blessed us so that we can be a blessing!

After four years of trials and testing, our church family has come through the Refiner's fire! We have made it through the storms and are stronger for having made the journey! We know what has happened in our past has prepared us for God's desired future--to use our church family to be a light and a blessing to our lost world!

Therefore, we are more convinced and more committed than ever to do everything we can to make sure all may know Jesus as Lord! Empowered by the Holy Spirit, we believe God has called us to change the world--one soul, one victory, one blessing at a time!

*It takes a generous church
to reach the lost.*

Therefore, we are renewing God's call to be "Kingdom Builders." At one time, this rallying cry was leveraged so that our church organization could be debt free--but always with the ultimate purpose of being "free" to bless the world! Our new season of Kingdom Builders will be focused on reaching people for Jesus and together... *changing the world!*

Everything we do will be for Jesus--and that all may know!

Pastor Paul & Cyndi Burke

plan vision dream

Over and Above the Tithe: We are a "tithing church." We know the tithe belongs to God and is His plan to fuel the mission of the local church. But then, God blesses our faith and obedience! So we have to ask ourselves, "What does God want us to do with the blessings?" Could it be that God might want us to take some of those blessings and invest it in His Kingdom? Absolutely! God has blessed us so that we could be a blessing!

In Jesus' Name, before the end of 2024, we have set the goal of raising \$100,000 for local, U.S., and global missions! We are going to strengthen our ministries and empower missionaries, ministries, and missions organizations who are working to build the Kingdom of God!

How do you make a commitment to God for Kingdom Builders?

Raising \$100,000 over and above our tithes and offerings will require generosity and sacrifice from all of us. Some giving will be truly sacrificial while other giving will be from abundant blessings. I am inviting every one of us to **"Make a Plan," "Write Down a Vision," and "Hold Onto a Dream."**

First, make a plan to give. Ask yourself, "*What has God placed in my hands?*" And then make a plan. When you have plans and are diligent, it leads to plenty (Proverbs 21:5). God will bless your plan to grow in generosity! Whatever amount you decide to give to Kingdom Builders--have a plan and then work the plan! Be faithful with what God has placed in your hand.

Next, invite God to give you a vision for what He could do through you--with His help. This is the "faith factor"--beyond what you can do in your natural income. Ask yourself the question, "*What's in God's hands that He might place in my hands if He could trust me to invest it in His Kingdom?*" Get a vision from God! Then, Habakkuk 2:2 tells us to write that vision down. Place it somewhere you see it regularly and pray for the vision to become reality! I believe God will supply all of your needs according to His glorious riches in Christ Jesus (Philippians 4:19)! Stretching your faith for His Kingdom pleases the heart of God!

Finally, dream a God-sized dream! Ask yourself, "*What would be a dream amount for you to give?*" Hold onto that dream! This number is between you and God alone. (Don't share it with anyone!) As you begin taking steps of faith, watch God move you closer and closer to that dream! God can do exceedingly abundantly more than we can ask or imagine (Ephesians 3:20)! And if you ever get to live out that dream... we'll celebrate together!

Please remember, every gift given in faith and love matters to God. It's not the size of the gift that matters, but obedience to the Holy Spirit's leadership. Make a plan. Have a vision. Hold onto your dream. Watch what God will do as you step out in faith!

*We are blessed
to be a blessing!*

WATER WELLS *in Kenya*

It can be hard to imagine, but there are still communities in the world that do not have access to clean water.

We will help provide clean water in communities where the Gospel is being preached and the church is being built.

*“To provide clean water in remote areas is to offer **life itself**. This water is a gift that quenches your physical thirst. But in meeting that basic need, it **opens the door** for them to meet the very one who quenches their spiritual thirst; **The living water.**”*

We will be making renovations to the Family Life Center to facilitate a more secure children’s church area and to provide a greater peace of mind for our families.

ADDRESSING FOOD INSECURITY *in our Community*

One in five households in Louisiana is at risk of hunger. Across our state and region, the rising cost of food, housing, and utilities, coupled with high unemployment and low-wage jobs have increased the need for emergency food assistance. Many families are asking for help for the first time. When bills loom and impossible decisions must be made, grocery lists are often cut first. Meals are skipped. Parents go without to make sure their children are fed.

The **Glad Tidings Food Pantry** provides families with supplemental groceries once/month to help carry some of the burden of FOOD INSECURITY.
