Eternal Impact

My dear Glad Tidings Church family,

Why do we keep insisting on doing this? Because your generosity is making an ETERNAL IMPACT!

The Bible is clear that both Heaven and Hell are real eternal destinations for every human being. And it is through faith in Jesus Christ alone that a person may escape the consequences of their sins (Hell) and be welcomed into Heaven. With souls hanging in the balance, we are compelled by the fact that every human being needs to know the Gospel so that they may call on the Name of the Lord Jesus and be saved!

But Romans 10:14-15 asks a haunting question…

> ***"How, then, can they call on the One they have not believed in? And how can they believe in the One of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent?"***

Why Kingdom Builders? We believe that everyone needs to hear the Gospel of Jesus Christ and Kingdom Builders is a powerful way to make sure that Jesus is proclaimed and that His Gospel is sent!

There are so many great causes doing good works, but we are focused on supporting missionaries and ministries that are committed to making an ETERNAL IMPACT – the ones that are going and serving in Jesus' name!

I'm reminded of the words of C.T. Studd…

> ***"Only one life, 'twill soon be past,***
> ***only what's done for Christ will last."***

Glad Tidings family, let's change the world and impact eternity TOGETHER!

Pastor Paul & Cyndi Burke

plan vision dream

Over and Above the Tithe: We are a "tithing church." We know the tithe belongs to God and is His plan to fuel the mission of the local church. But then, God blesses our faith and obedience! So we have to ask ourselves, "What does God want us to do with the blessings?" Could it be that God might want us to take some of those blessings and invest it in His Kingdom? Absolutely! God has blessed us so that we could be a blessing!

In Jesus' Name, before the end of 2026, we have set the goal of raising $250,000 for local, U.S., and global missions! We are going to strengthen and empower missionaries, partners, and missions organizations who are working to build the Kingdom of God!

How do you make a commitment to God for Kingdom Builders?

Raising $250,000 over and above our tithes and offerings will require generosity and sacrifice from all of us. Some giving will be truly sacrificial while other giving will be from abundant blessings. I am inviting every one of us to **"Make a Plan," "Write Down a Vision," and "Hold Onto a Dream."**

First, make a plan to give. Ask yourself, *"What has God placed in my hands?"* And then make a plan. When you have plans and are diligent, it leads to plenty (Proverbs 21:5). God will bless your plan to grow in generosity! Whatever amount you decide to give to Kingdom Builders--have a plan and then work the plan! Be faithful with what God has placed in your hand.

Next, invite God to give you a vision for what He could do through you--with His help. This is the "faith factor"--beyond what you can do in your natural income. Ask yourself the question, *"What's in God's hands that He might place in my hands if He could trust me to invest it in His Kingdom?"* Get a vision from God! Then, Habakkuk 2:2 tells us to write that vision down. Place it somewhere you see it regularly and pray for the vision to become reality! I believe God will supply all of your needs according to His glorious riches in Christ Jesus (Philippians 4:19)! Stretching your faith for His Kingdom pleases the heart of God!

Finally, dream a God-sized dream! Ask yourself, *"What would be a dream amount for you to give?"* Hold onto that dream! This number is between you and God alone. (Don't share it with anyone!) As you begin taking steps of faith, watch God move you closer and closer to that dream! God can do exceedingly abundantly more than we can ask or imagine (Ephesians 3:20)! And if you ever get to live out that dream... we'll celebrate together!

Please remember, every gift given in faith and love matters to God. It's not the size of the gift that matters, but obedience to the Holy Spirit's leadership. Make a plan. Have a vision. Hold onto your dream. Watch what God will do as you step out in faith!

THE STATE OF THE WORLD

The State of the World paints a picture of a worthy work left unfinished. To understand this world, we must be aware of how many people have yet to hear the Good News of Jesus. Those that are waiting and have very little or no access to this gospel are known as the Unreached.

At Glad Tidings Church, we have a *global heart* because we understand the importance of the Great Commission and want to see *all of God's people reached with the Good News of Jesus.*

Going and serving in Jesus name!

TAKING THE GOSPEL OFF ROAD

The Domengeauxs are taking the Gospel into areas where there are no roads!

The vehicle the Domengeauxs use currently to evangelize is insufficient to travel into the remote regions where unreached Maasai communities are located. As the Mission takes the Domengeauxs deeper into the field and higher up into the mountains, tougher and more durable equipment becomes a necessity. We are going to partner with the Domengeauxs to purchase a vehicle capable of taking the Gospel to the hard-to-reach places where the Spirit is compelling them to go. We believe this project will make an eternal impact in the lives of people who have never heard the Gospel!

“There are so many people with limited or no access to the Gospel. We want to not only bring access, but discipleship, and there are no roads where we need to go – but there are people.”

Aaron Domengeaux

The Twin Lakes CAMPGROUND

There's something about a vibrant, Spirit-filled Christian summer camp or retreat experience that makes an eternal impact! Building upon decades of success in other African nations, a proven plan for evangelism, discipleship, leadership training, and church planting is now following the wind of the Holy Spirit into Zimbabwe! Trained and experienced ministry teams are waiting for the green light and resources to move into the country, and together, we're going to send them!

"SpiritWind Ministries is evangelizing and planting "tent churches." As they grow, permanent church buildings will be constructed. This is a strategic, cost-effective, and time-sensitive opportunity to impact an entire nation for Christ.!" **- Dr. John Bosman**

F.R.E.E INTERNATIONAL

The missing.
The exploited.
The enslaved.
We know they have names. They have stories. They have families, dreams, and people who miss them.

We believe every person was created on purpose and for a purpose, and human trafficking tries to steal that truth. It strips away identity, dignity, and freedom. But we refuse to look away.

That's why we partner with F.R.E.E International.

Their heart is to see the enslaved set free and fully restored. Through strategic partnerships and boots-on-the-ground outreach, they work to find, restore, embrace, and empower survivors of human trafficking right here in the United States.

We believe that together, we can be part of bringing hope to those who need it most.

This isn't just their fight.
It's ours too.

DID YOU KNOW?

The U.S. is ranked as the **THIRD** worst country in the world for human trafficking!

- **All 50 states** have reported human trafficking.
- Approximately **365,000 children** go missing each year in U.S. and around **30% of those are being trafficked.**
- Sex trafficking is the **second largest** illegal industry in the country.
- **50,000 adults** in the United States are victims of human trafficking **each year.**
